

Smile Programs
...the mobile dentists

A gift for you for the new school year!

Welcome back!

It's a new school year, and we appreciate you working with Smile Programs ... the mobile dentists to bring in-school dental care to your students.

Your dental visit is scheduled for 10/2/2017, 10/2/2017. Please review the scheduled date(s) for any conflicts, including testing, with your school calendar and contact me ASAP if you need to reschedule.

In addition to printed permission forms, we're excited to announce that parents now have the option to sign up their child online.

We'll still supply printed forms for your teachers to send home with each child and for you to distribute at your back-to-school parent meetings, but parents can now conveniently go online to ensure their child gets the dental care they deserve.

Parental awareness is key. Just text and/or email parents about signing up online at www.MySchoolDentist.com. Email me a copy of what you send out, and we'll send you a \$25 gift card once we receive online sign ups from your parents.

Thank you for helping keep your students in school and learning!

Yours in good health,
Susan Schantz
