

The Green Team Mission Statement:

A team composed of PCPS staff, teachers, and administrators; we strive to make Pulaski County Public Schools an environmentally friendly place to learn.

The future is up to us with **four major initiatives:**

- Conserving
- Reducing
- Reusing
- Recycling

As a team we hope to promote these green initiatives that will be passed along to future generations.

Members: Composed of School Administrators, Teachers, & Staff from each School in our Division
