

Programs for Dublin Elementary School

At Dublin Elementary we want to provide every possible learning opportunity for our students. Our online offerings are free to our students and may be accessed from your home computer. Please feel free to access the links embedded below. If you have any questions please contact your child's teacher or administration.

Fast Math provides drill and practice activities for learning addition, subtraction, multiplication, and division facts. Students answer math questions as fast as they can. At the end of the lesson, students may get the opportunity play games using math facts.

Fast Math

Grades: 1st – 5th

Study Island®

Study Island helps students master SOLs, grade-level academic standards in a fun and engaging manner. Study Island combines rigorous content that is specific to Virginia's Standards of Learning in math, reading, writing, science, and social studies with interactive features and games that engage students and reinforce and reward learning achievement.

Study Island

Grades: 3rd – 5th
